

# Turning Point Gratitude Project June 2 through August 1, 2015

**The Turning Point Gratitude Project** has been created for a number of reasons: to celebrate this beautiful community; to support human service organizations in the area through education in ecological design, workforce training, and home food production, and to raise awareness of the power to permanently change the

vulnerability of the Whetstone Brook to Stormwater runoff. The result of our efforts will be an ecological living room for Turning Point and its community at 39 Elm Street in Brattleboro.

## Course Registration

This form is for those registering for the full Permaculture Design Certification course. If you wish to register for individual workshops please complete the other form. Course workshops will take place during June and July 2015 with the Graduation Celebration taking place August 1st.

We welcome your participation in the Project! Please answer all questions below. Make checks payable to Turning Point of Windham County. Contact Cimbria with any questions:
